- HTML
- CSS
- Javascript
- Tailwind Css
- React Basics
- NextJs

WordPress (3 month)

- Elementor
- ShopEngine
- WooCommerce

LANGUAGE

- Conversional English
- Urdu

ABOUT

I am a Frontend Developer with skills in HTML, CSS, JavaScript, and WordPress (Elementor, WooCommerce, ShopEngine). I have 1.5 years of experience in custom frontend projects, along with a 3-month WordPress course and internship. I have also worked on group projects at Techever as a frontend developer. Now, I want to focus on WordPress development, building professional and responsive websites for clients

WORK EXPERIENCE

North Aims Technology

3 Month

internship

After completing the web development course, I did a 3-month internship with North Aims Technology.

TechEver

1.5 year

Junior Frontend Developer

At Techever, as a Frontend Developer, I worked on frontend projects in a group

Online Course from Coursera

Frontend Development
